RANDY ELLIOTT,

FREEDOM

COMMON TO ALL men are certain needs. Possibly the most important is that of freedom. In the United States, a person may live where he wishes and go to whatever church he pleases, or attend none at all. Anyone may work at any job he chooses. The only limitations are his own ability and training. High school is the foundation for this training.

At La Habra High School, students are given an opportunity to exercise their freedoms as well as obtain valuable training. Freedom of competition, freedom of speech, freedom of choice, and freedom of assembly are all active parts of the campus.

Unfortunately, freedom is a controversial word in the twentieth century. Its doctrines are constantly being challenged. We, the America of tomorrow, wishing to support the precepts set down by our forefathers, have chosen freedom as the theme of the 1966 Hieland.

Good Luck

Surrounded by misery and abject poverty, Victorino
lives in Manila with his mother and two brothers —
Larry, 6; and Edwin, 4. His father abandoned the
family just before Edwin was born. This left Victorino's
mother and brothers penniless, and life for them has
become a bitter struggle for daily survival.

The family lives in an old, delapidated, one room
house located in one of the most crowded sections
of the city. During the rainy weather the roof leaks
profusely. They have no furniture at all. Their clothing
is kept in milk boxes.

This deprived seven year old boy is handsome, nor-
mally developed, healthy, and has a pleasant dispo-

to be able to continue his studies and has been given
this opportunity through the unselfish generosity of
LHHS students.

OUR FOOD SERVICE this year consists of the Snack Bar operation plus thirty-two vending machines. Eight of these vending machines are operated by the La Habra High Food Service, five for hot foods and three for cold. The others are operated by Mr. Wilsey. The food for our eight vending machines is supplied by the District Vending Commissary which is located on our campus.

With the help of the two women in charge of our food service project on campus, Mrs. Gladys Collins and Mrs. Viola Kidder, this new system has been a great success.

SENIORS:

TEACHING AT La Habra for the past three years has truly been a rewarding experience. Students from all over could never possibly compare with those attending LHHS. Since my first year, I have been extremely fond of one class—today's seniors. I have been with this class for all three years, and each year I have learned something new about my students. They are comedians as well as astute scholars.

Perhaps the greatest experience of all is being advisor to the Senior GAA. The girls enrolled in this class are by far the most well-rounded and highly skilled girls I have ever encountered.

I sincerely enjoy my seniors as well as my three classes of juniors. I have come to know students on all grade levels and I think the most of them all.

I have been fortunate over the years to have been involved in such campus activities as GAA, Tennis Team, Girls' League, Drill Team, and advisor to the Flags, Songs, and Yell Leaders. These have been enriching experiences.

I enjoy doing and participating in many varied activities. I especially like to dance, as a matter of fact there is only one thing I can honestly say I dislike — liver, fried, broiled, or camouflaged. Last summer, I learned to water ski. I was out for only one day, and handicapped for the following two, but I love it.

I am looking forward to many more challenging and enjoyable years at LHHS.

THE CEREMONIES are over, the gifts have been given, and the banners have all been taken down. Coach Gene Uccelini is no longer a member of the La Habra High School faculty. He has gone on to other things in which, according to the Coach himself, "I can help more people in a much broader area."

Mr. Uccelini was born and raised in Philadelphia, Pennsylvania. At Hardin-Simmons College in Texas, he was "the most outstanding full-back," and played in the Texas Sun Bowl. He served in the Marines and is presently a volunteer in Job Corps. Here, at La Habra, he was the wrestling coach and the football line coach. Also, besides being one of the solid rocks upon which our winning Varsity Football Team was based, Coach Uccelini has left us with a very important and vital souvenir of his months of teaching Highlanders.

We realize what he has left with all of us. Gene Uccelini gave La Habra High School his warm, friendly, and pleasantly well-enforced knowledge and true understanding about the things that matter to teenagers the very most.

Liebe Freunde!

HIGHLANDERS:

IN JUNE of 1965, I embarked upon the most unusual and exciting summer of my life as the American Field Service representative from La Habra High to Germany. What a grand way to learn about Europe!

While in Germany, I lived in Brehlum, a tiny village on the North Sea, only 40 kilometers from Denmark. My adopted family, the Birkenbachs, were wonderful; my mother and father, Annelier, my sister, and Gerhard, my 17 year-old brother.

For four weeks out of the three months, I attended the Theodore Strom-Schule in Husum with my sister, Annelier. There, in a class of 25 girls, I not only gained an insight into the German educational system, but acquired many lasting friendships among students and teachers alike.

The remainder of the summer was spent in visiting the modern cities; enjoying the festivals and adapting to continuous exercise, which included a week touring the large cities of the state, Schlesing-Holstein, by bike.

I am most grateful to those who made this experience possible. To them and to the people of Hamburg, Breman and Husum who opened their hearts and homes to me, I am most grateful.

Mit Herzlichen Dank,

Hola Amigos

HIGHLANDERS,

NOW THAT I am leaving with a smile, and with a tear in my eyes, I don't know if there are words to express my feelings. The smile will tell you about all these happy memories that I am taking back to Spain with me; this has been my best year in High School, a year full of great experiences, and of your friendships which helped me feel at home since the very first day. How can I ever be able to thank all your kindness, and all the honors I was fortunate enough to receive from all of you! I only hope that the friendly ties of our countries have grown closer this year and that they'll get closer every year. I hope you know now much more about Spain. I have sure learned from America and I can say now that I love it, almost as much as Spain.

I will never thank enough everyone, especially the "great" organization of the American Field Service, which makes all this great experience possible for all of us; the La Habra High School faculty for being so nice and for all the knowledge they have given me; and I'll never thank enough my just wonderful American family.

The tear I will have in my eyes when I leave will enough tell you how much I will miss you.

Bye, I hope I'll see you again,

Ciao Amici

HIGHLANDERS,

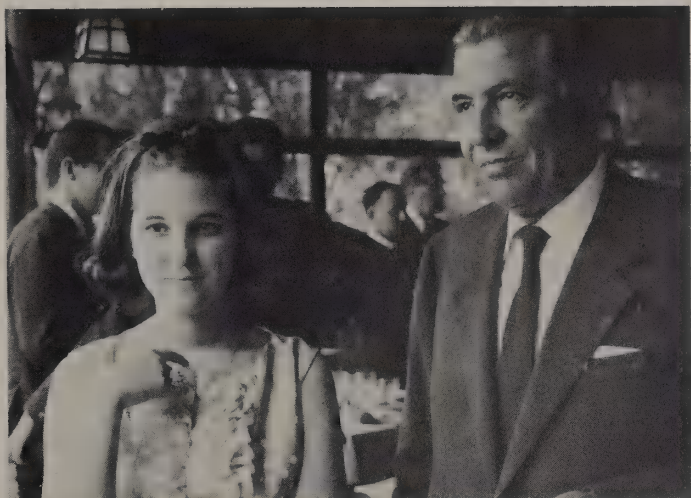

I EXPRESS to you all of my profound gratitude for the friendship that you gave me. I also want to thank the American Field Service that made me one of the representatives of my country in the United States, and because it permitted me to enjoy this wonderful, incredible year with you. But, be sure that these words are not enough to reward you for the opportunity that you offered to me.

I'll preserve in my heart the memory of these experiences made here, and when I am back at home, I'll feel a little homesick for your incredible world.

I sincerely hope to meet you again, to deepen our friendship; and with this hope, I'll leave you.

THE SENIORS have towered
Above all the rest
Of all the classes
They are the BEST!

Their spirit rebounding
From every great wall,
The mighty, mighty sound
Of the victory call.

Their great ability
To lead La Habra High
Has become a reputation
That never will die.

They have accomplished
The impossible tasks people set.
They have made more of La Habra
Than any class yet.

A class like "66"

LED BY SPIRITED class council, our mighty class of 1967 made great strides in all phases of school life. Scholastically we can boast of high grade point averages and pride in gaining practical knowledge. Athletically, the juniors, both boys and girls, have taken interest in upholding the L.H.S. sports achievements.

In addition to supporting pep rallies, athletic events, school clubs, and one-act play festivals, the juniors presented an elaborate and enjoyable prom.

Each junior is proud to be a spirited "Highlander" and a vital part of the student body.

THE VIVACIOUS and hardworking Sophomore Class has accomplished much at La Habra High. As sophomores, we have molded many of our hopes into realities, setting still higher our final goal to be reached in "our" year of 1968. The class of '68 will strive to carry on the ideals of our class motto, "pleasure rises from work." As upper classmen, we shall achieve these ideals.

Through the year, we showed our enthusiasm and immense amount of spirit at pep rallies and games. We strove to involve all sophomores in class activities: food sales, spirit day, sports, and club events. The Sophomore Class takes pride in its past, and looks to the future for even greater success.

THE CLASS OF 1969 is the largest in the history of L.H.H.S. Loaded with spirit at school activities, we began our high school careers with victory in the A.S.B. card sale, P.T.A. membership drive, and successful food sales and playnights.

Our athletes, looking forward to three more years of improvement and conquest, are representing our best class effort in sports. We are also giving a lot of support to the language clubs. The Freshman class fills their motto, "To conquer or to die," perfectly. The '69 Scotch are 100% proof.

I know that you will

do (school work I mean)
around ops.
See ya Marasha Renken

Elsie,
It's been nice
having you in
person. Good
luck next year,
Rae Mili

Hi there!
Remember me?
I'm the little-bird
who's afraid that
automation would
take over... over...
sorry I can't come to
summer (I'm too lazy).
It's been nice knowing
you this year (you
realize now how much
a hassle this is) but I'm
glad it's over... over...
Kae! ~~Ops~~ Buggy?? Automation
tion... too... He? must be
taking over
under (Circle one) well, I
in between?
guess I'll see you ~~down~~ ^{down} beneath,

Would you believe never? (for-
ray!) SIROG rules, ops, security
has been violated, well,
I guess since SIROG ends
Thursday, it doesn't much matter
anyway. Well, (haven't I
used that word enough?) since
I'm about out of idea, about out of room,
it's time to say "Bye"
this should SIROG (u)
Bye!

Soon (blue)
It has been fun
knowing you this
year. I know you are
going to know me
as I probably won't see you
often. You must see you
Curtis tomorrow

Highlanders.

I wish to personally thank the Administrative Faculty, and especially the Student Body, for making this Highland leader among high schools. The cooperative efforts put forth by all have been rewarded with a lasting success that leaves no doubts to last in the future. There is no doubt that some year a higher plateau will be achieved, but on this occasion those who reach this eminence, will recall 1965-1966 and compare. They will see the accomplishments and traditions that you have made real, and will know that they have achieved the highest goal.

To the graduating class of 1966, I wish the best of all and to the remainder of the Student Body—you have seen the plateau and you have your challenge.

Spiritedly,

Bob Sorenson

Bob Sorenson
A.S.B. President

Highlanders,

Heading the senate and organizing and running all elections are among the many duties of the A.S.B. Vice President. The purpose of the senate being to discuss the problems faced by the students and promoting complete "campus co-operation."

The A.S.B. Vice President is also a member of the cabinet and it is his duty to see that problems brought up in the senate are discussed in cabinet.

The Vice President must work together with all other officers, faculty, and students. The Vice President must promote school spirit and represent LHHS in all activities.

Being able to represent the student body as Vice President has truly been a rewarding experience, one that I have tried to uphold in all respects.

Thank you,

Duane Carlberg

Highlanders,

Of course there were the letters
which came in continual streams.
And through the year,
the dittos and minutes became my only dreams.
But beyond the duties
which seemed so pressing at the time,
There came the privileges
which I will always hold sublime.
There were summoning of students
and cabinet meetings every Tuesday.

And now, from these experiences,
I would like to say:
I wish that everyone
could have this office to hold.
For only they will find its true meaning
which can never rightly be told.
The friendship, the work,
the happiness of success and the sadness of defeat.
To me,
this part of high school will be quite hard to beat!

Respectfully submitted,

Nikki Jo Sanders

Highlanders,

There is an age old controversy as to whether "love or money" makes the world go round. My feelings toward the "love of money" helped me do my job. My numerous duties included summer food sales, selling student body cards, and receiving the funds from the sports activities. This added a full measure to my last year of high school . . . I enjoyed every "cent" of it . . .

Sincerely,

Corisa Moses

Highlanders,

La Habra High School is well known for its traditions. Aside from having a tradition of high scholastic standards, the Highlanders have had a reputation for social activities second to none. I have enjoyed my main job of being social chairman and having a real part in upholding the fine traditions of La Habra High School dances. In addition, I have had the great privilege of being a cabinet member, a participant of a working student government; the LHHS Student Body.

Sincerely,

Gerald Anderson

They Enforce the Law

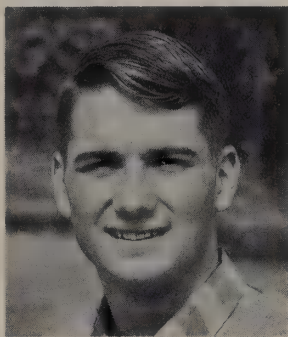

Highlanders,

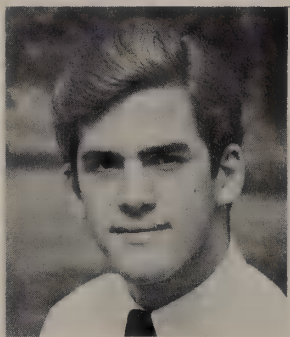

Enforcing necessary school laws and regulations represents Ethics Council's most functional duty. Being Chief Justice of the Ethics Council has provided some unique experiences that cannot be obtained in any other office, especially, the opportunity to meet and work with new people. This year, more than ever before, the Ethics Council has succeeded in keeping student problems in the hands of students. It is my sincere hope that the ideas and programs that have been successfully developed this year by the rest of student government as well as Ethics Council will continue to flourish in the years to come.

Rule Too!

GIRLS' LEAGUE is truly a functioning body at LHHS. Active in service as well as spirit, we initiated the "adoption" of Victorino, our Filipino "foster" child. We began another new program which promotes good grooming and taste in girls' dress, the Fashion Council. Girls' League was strong in tradition as well as innovation. Our Mother-Daughter Banquet, alumnae tea, Big and Little Sister Party, April dance, and candy cane sale were uncontested successes. We continued to honor individuality by honoring the Girl of the Month. This year we added the Ten Best Dressed Girls of the Month to the list. Girls' League can certainly say that we have found the "Key to the Highlands."

Candy cane chaos.

THE CLUB CALEDONIANS was organized to promote Scottish traditions and ideas on campus. The name was chosen because it was the word used by the Romans when referring to Scotland.

The buildings and corridors on campus are all named after locations in Scotland. The Argyll, the main corridor, is named after the main street in Edinburgh, capital of Scotland.

Everyone is welcome to join. The only qualification is a sincere interest in furthering Scottish tradition.

LA HABRA High School's 1965-66 flag twirlers have excelled in precision, enthusiasm, and spirit. Led by senior Janet Douglas, these six girls have performed at football games, basketball games, and pep rallies. The flag twirlers, selected last spring, prepared all summer for the ensuing sports' seasons. This group is an exuberant part of La Habra's outstanding pep squad.

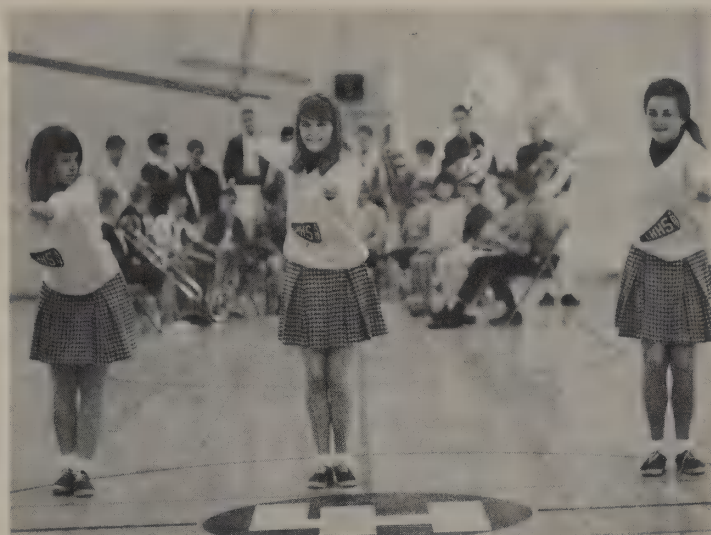

The higher they throw, the more victorious LHHS becomes.

JV Yells Concoct Spirit

JV yells say, "Highlanders are G-r-r-r-eat."

THE 1965-66 JV yells at La Habra High School have added pep and enthusiasm during the year. The four girls, led by senior, Carol Oliver, have yelled at B, C and JV games, both football and basketball. The JV yell leaders are chosen at the end of each year by the preceding girls. Then they work during the summer to be ready when the school year begins. This group of girls is but one of the pep units which adds spirit to LHHS.

All hands point to victory.

THE HIGHLANDER pipe band and Highland Dancers are service organizations which serve as a focal point for the Scottish theme and traditions at LHHS. In addition to performing for many school activities, both groups make about thirty appearances a year before local community and service groups. The LHHS Pipers and Lassies have won nation-wide acclaim through several national television programs, serving as the escort for Miss Scotland in the Long Beach Beauty Pageant, touring the Northwest, and Seattle World's Fair, and many half-time performances.

The many hours of service given by each member of the band is a measure of their true devotion to the "Highlander Spirit."

Black Watch is needed here!

THIS YEAR a new branch of government has been adopted on the La Habra campus, the Black Watch. Headed by Jeff Kossin, Chief Justice, it comes under the control of the Ethics Council.

The duties of the Black Watch are to find and bring before the Ethics Council all offenders of rules passed by A.S.B. instrumentalities. The members of the Black Watch act as prosecutors and state the reasons for any charges issued. The boys keep order at the assemblies, and maintain the rules and regulations set up by higher authorities.

The Black Watch consists of twenty senior Varsity Lettermen. They are picked from all the eligible seniors who are Varsity Lettermen in any sport. They are chosen by the A, B, and C lettermen of the four classes. The boys must meet the qualifications of the Constitution, as in any office.

Highlanders Entertain Audiences

Prince Phillip, center, is shown as he prepares to enjoy the La Habra High Bagpipe Band and the Lassies when they perform. The Highlanders were

deeply honored in being invited to perform for royalty as well as many Hollywood movie and T.V. stars (some of them are shown in the picture).

HIGHLANDERS HAVE ENJOYED various concerts given throughout this year. The La Habra Music Department has presented programs of singing and music to delight teachers, students, and parents. The La Habra Bagpipers and Lassies have also entertained both on and off campus.

One of the largest programs presented was Handel's Messiah, given in the annual Christmas program. Sung by the entire Music Department, including the Madrigals, Girls' Glee, Girls' Choir, Mixed Chorus, and Concert Choir, the orchestra and band, the outstanding presentation was heard by a capacity audience.

The Scotscapades, an annual show that is given every spring in the La Habra Highlander's gym, is looked forward to by the majority of the students and teachers as well as by many parents. The music is a combination of talent and hilarity.

The Lassies are pictured here as they danced for the Prince. Everyone seemed to enjoy the fine performance given by our dancers and band.

Handel's Messiah was the Christmas program given by the Music Department this year. Sylvia Russo, a senior in Concert Choir, is pictured singing a part of the presentation.

Shown here is the Girls' Choir singing at a concert given at the beginning of the school year. The girls, led by Mr. Harold Lannom, did a fine job entertaining the audience.

Skye Singers in action.

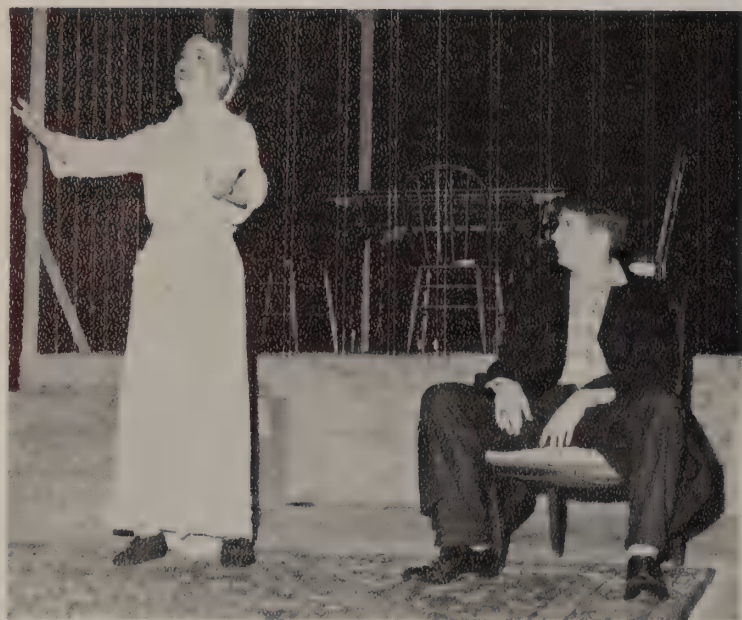

THE SKYE SINGERS were organized in February of 1965 by Miss Marilyn Jacobs, faculty advisor to the folk music club. In keeping with La Habra's Scottish theme, the group took their name from the Island of Skye, largest island off the coast of Scotland. The importance of this island as a hiding place for Bonnie Prince Charlie, is related in their theme song, the "Skye Boat Song."

THE GROUP is well known throughout the area for their appearances at numerous hootenannies and meetings, in addition to their performances at the Gathering of the Clans Concert, the Corn Festival, and the Paradox Folk Club (formerly the Mon Ami). They won first place at a hootenanny held last spring at Los Altos High School and reached the finals in the Paradox folk contest held this year. All of the Skye Singers are members of the La Habra Folk Music Club and most of the girls play the guitar.

La Habra Has Another Success

Jim tries to help Laura conquer her terrible fear of people and the outside world.

Amanda pleads with Tom to start thinking of her and Laura rather than just himself.

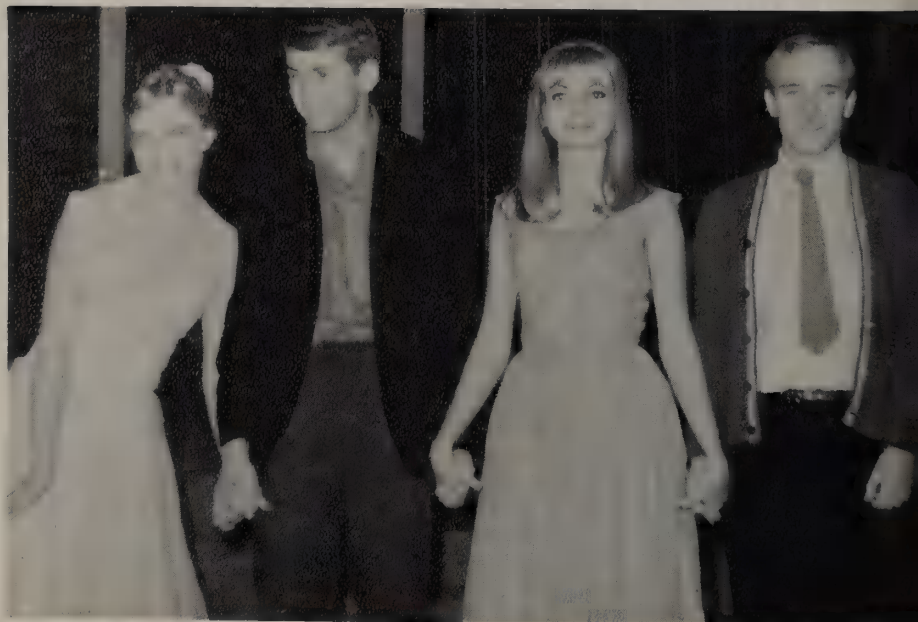

"THE GLASS MENAGERIE" by Tennessee Williams was presented by the La Habra High School Theatre last fall. It was a fine production, the first one of the new drama teacher, Mr. Jack Ruele.

Casted in the play were: Lin Smith as the mother, Amanda; John Braithwaite as the son, Tom; Jill Goessling as the daughter, Laura; and Pat Carrick as the friend, Jim.

Plot-wise, the play centered around a small, poor family in the 1920's. The mother was a terribly lonely character whose husband had left her and who had lost all communication with her children. Laura portrayed a pathetic person; a girl so shy that she would get sick when facing anything new or strange. This was mostly due to her exaggerated self-consciousness about her lameness. Tom typified a confused and desperate character trapped into a boring life that seemed to have no escape. Jim was a forgotten high school hero looking for a much better life. The play tells the conflict between the characters in a simple but moving drama.

Amanda points out to Laura that she is shaming her and Tom.

CAST: From left to right, Lin Smith, John Braithwaite, Jill Goessling, and Pat Carrick.

Cinderella Charms Children

Prince Charming dances with one of the ladies of the court at the ball.

Prince Charming speaks with Cinderella at the ball.

FOR THE FIRST TIME in La Habra's history, the drama department presented a Children's Theatre. The play chosen was "Cinderella," a classic in children's favorites. Boys and girls, as well as parents, enjoyed the production.

Drama students from the Drama II classes performed in the play. There were three performances, each with a different cast to give all the students a chance to act. The Drama I classes helped make all the sets, along with the art classes and the set building classes. These people helped the drama department in all the sets of all the productions during this year. The play was a big success as evidenced by the eager faces of the children after every performance as they went backstage to meet all the actors and actresses.

"Arsenic and Old Lace" was the scheduled play for the spring performance. It is sure that the play was a very worthwhile production of the Theatre, as all of the plays have been since it was begun.

Cinderella whirls in her new ballgown, but the magic glass slippers have been forgotten by the absent-minded fairy godmother.

Highlanders Remember When

TRADITIONAL HOMECOMING activities climaxed another exciting football season this year. On the afternoon of the game, the annual Homecoming rally was held in the Highlander stadium. Song and yell leaders from the past and present performed for the students and alumni. Then the candidates for the queen were introduced.

THAT EVENING, Highlanders played a tense and heart-rending game, narrowly losing to Magnolia, 7-0. The high point of the evening was the crowning of the Homecoming queen at half-time. Tri-captain Ray Ogas placed the robe around the shoulders of an astonished and radiant Jackie Restivo, while Captains Larry Brandenburg and Garry Swanson kissed the new queen. Jackie and her court, Princesses Janet Douglas, Susie Horton, Rachel Lopez, and Lali Pratt, then retired to the stands to watch the remainder of the game.

"AUTUMN MEMORIES" was the theme of the annual Homecoming dance, which was held in the gym. Highlanders and alumni alike danced to the enchanting music of the Tempos. Queen Jackie, with her escort Bruce Reid, led the dancing for the remainder of the evening.

LHHS Rocks On

Howdy Hop welcomes all.

Bands set the pace for the dance.

"Yeah, yeah, yeah!"

SOCK HOPS were a popular entertainment for La Habra High students. They ranged from the casual Howdy Hop to the more formal Girls' League spring dance.

The Howdy Hop featured music by the Six Pack. Many students turned out to welcome the freshmen to the first dance of the year. The dress was casual and the beat was cool.

Various sock hops took place after basketball games throughout the year. Students mingled with their friends and danced until eleven.

Class playnights offered another opportunity to meet friends and dance. Music was often supplied by bands made up of La Habra students.

They danced all night.

He Loves Me-He Loves Me Not

MANY COUPLES spent a lovely evening in the midst of a garden of daisies at the annual Girls' League Dance, April 15. The theme, "He Loves Me—He Loves Me Not," was beautifully decorated. Huge flower pots encircled the band, numerous daisies surrounded the dance floor.

Tom Ranier's Combo provided excellent music for an enjoyable spring evening.

The Royal Court.

Highlanders dance to the music of the Apollo Sextet.

GLISTENING STARS watched over dancers at the 1966 Highland Fling "Starlight in Springtime." Couples waited eagerly for the hour of coronation when the royalty would be presented. The court consisted of Beth Schroyer, freshman attendant; Jan Dovey, sophomore attendant; Patty Redfern, junior attendant; and Melanie Hooper, senior attendant. Seniors Ken Kemp and Barbara Mann reigned as King and Queen.

The honor of crowning Ken fell to Kathie Grubb while Ray Ogas presented Barbara with her majestic robe. The royalty then led the dancing. Highlander couples had the added treat of searching for souvenir stars with their names written on them. Dancing continued until midnight to the music of the Apollo Sextet.

The Coronation.

They Help Us to Remember

The painting of the Senior Bench is a custom that is handed down from one graduating class to another. The Bench, which can only be used by Seniors, is given an original coat of paint by the new seniors each year.

Mighty is the word for the Senior Rock, another tradition for the seniors. The Rock is located in the center of the Senior Park and symbolizes the strength of the graduating class.

A Highland Lassie, posed waiting to begin her dance to the music of the Bagpipers, is another part of the past, present, and future at La Habra.

The Gathering of the Clans Concert is a yearly event on the La Habra campus. Parents, teachers, and students alike come and enjoy the performance of the Highland Bagpipers and Lassies. All these are only part of the many beliefs and traditions that help make La Habra the wonderful school it is.

MEMBERS OF THE CLASS OF 1966 have had a full year of merit and achievement. Many top awards have been presented to various seniors for a wide field of accomplishments. A great many scholarships and a number of "Special Recognitions" were also presented.

Because of the lack of space, not all of these many achievements can be noted and pictured on this page. These are only a few of the more top rated presentations.

Bank of America Trophy winners of La Habra brought special recognition to the Highlanders. All four of our winners, Carol, Mary, Cindi and Dave, won not only the school awards but also received the district awards.

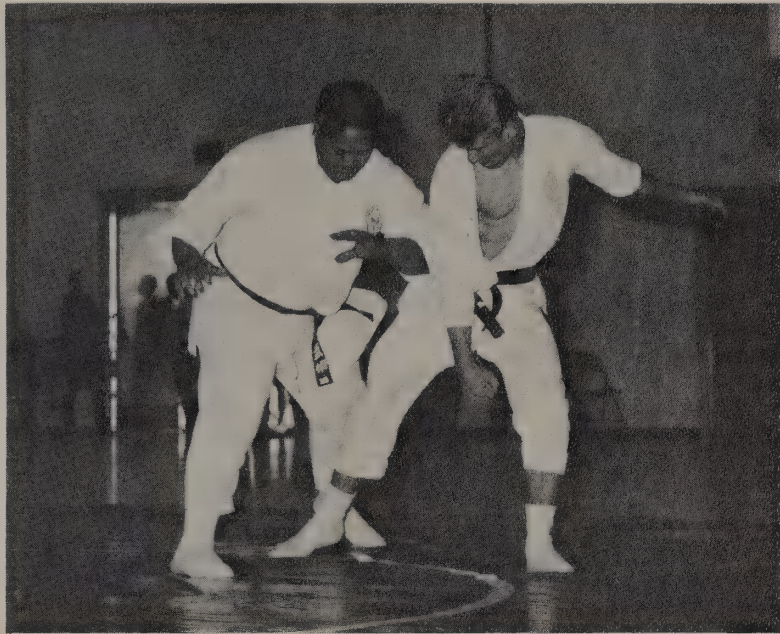

Trophy Winners for the Bank of America Certificates are Mary Beaubein, Art; Dave Vodden, Vocational Arts; Cindi Weber, Liberal Arts; and Carol Burleson, shown above, Science and Mathematics.

RECEIVING THE BANK of America Certificates of Achievement is a great honor to any student. The seniors shown here have done great progress in their special field of study and are here given an award for all their labor.

The winners are from left to right, FRONT ROW: Stan Strauss, English; Kathy Harcharick, Business; Annette Wheeler, Home Economics; Diane Lanning, Language; Nick Gissotte, Science. ROW 2: Tom Henley, Mathematics; Wayne Clifton, Industrial Arts; Kirk Wallace, Social Science; Jeff Elliot, Music; Don Florance, Art; and not shown is Roger Aday who won the certificate in Agriculture.

They Educate and Entertain

They are highly skilled in the art of karate.

ASSEMBLIES ARE a major event on La Habra's campus. This year, Highlanders were hosts to various talented people, such as Jester Hairston, John Goddard, Jimmy Woo and his karate students, and the Fullerton JC music department.

Our concert choir was led by Jester Hairston in the singing of Negro spirituals. Some of the songs were written by Jester himself. He also entertained the student body by telling humorous stories of his early life. Later on in the year, John Goddard took us on an exciting tour of the Orient through his films and dialogue. Mr. Goddard returned in May to continue and finish his tour. The techniques of karate were skillfully demonstrated by Jimmy Woo and his students. The Fullerton JC music department presented a concert in which both their band and choir performed. Other assemblies were the AFS assembly and the Girls' League Awards assembly. The highlight of the year was the Senior Awards assembly where outstanding seniors were honored.

Another method of self defense.

Mr. Hairston makes each song come alive.

Jester relates incidents of his childhood.

Ugh! And then he tried to hold my hand.

I should have told you—I can't dance!

OK girls, shall we grab him now or wait 'til later?

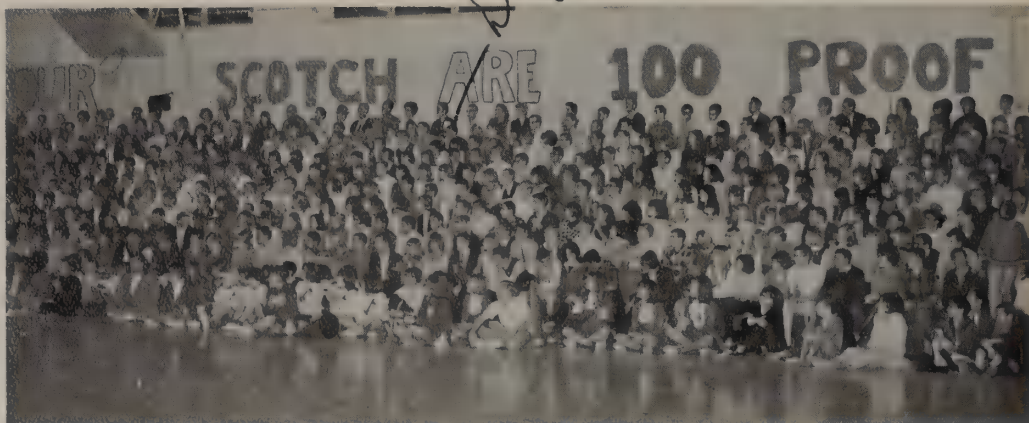

And as Snow White bit into the poisoned apple . . .

Spirit Explodes

LA HABRA'S exuberant spirit reached its peak at the height of football season when our team went to C.I.F. No amount of enthusiasm the rest of the year could compare to that spirited season, but loyal Highlanders did promote spirit the remainder of the year. Basketball season sported two exceptionally spirited games, namely when Highlanders played Magnolia, and Sunny Hills.

Loyal Scots upheld school spirit on spirit days throughout the year. Exuberant classes, from Seniors, who hired a fire engine, to Freshmen, who created their own Loch Lomond monster, participated enthusiastically.

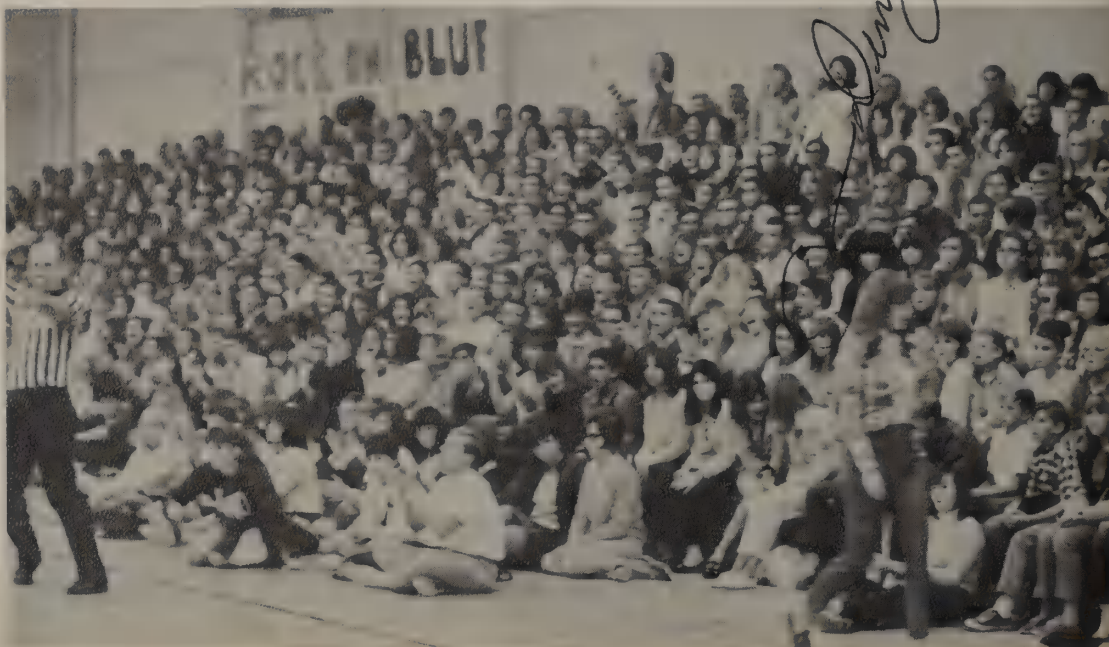

Pep rallies were spirited.

Freshmen entered spirit days with zeal.

A Spark of Spirit!

FOOTBALL HAS finally come of age at La Habra High School. The Highlanders, perennial doormat for other Crestview League teams in the past, for the first time in the school's history reared up and grabbed first place honors.

THE TEAM was led by quarterback John Salazar who was named All-Orange County Player of the Week for his four touchdown passing spree against Savannah. La Habra's passing threat was equalized by the sensational broken-field running of halfback Larry Brandenburg. Larry was named to the All-League team for the second consecutive year, and in this his final season at La Habra was named Back of the Year by Crestview League coaches.

THE LINE corps was led by Ray Ogas, who was named All-League for two years also. In this, Ray's final year, he was also given All-Orange County honors. La Habra dominated All-League selections this year by placing seven players on the team. Besides Brandenburg, Ogas, and Salazar, tri-captain Garry Swanson —

linebacker, Tom Euginbill — end, Reggie Pendleton — guard, and Larry Scarf — end also made the All-League team.

HOWEVER SURPRISING this season's record may seem to some, it comes as little surprise to persons close to La Habra's football program. Last year Harry Gruber took over control of the faltering La Habra team which had never posted a winning season. He immediately began rebuilding. By initiating new systems, and plenty of hard work on the part of all the players, assistant coaches, Gene Uccelini and Tex Wallis, helped Coach Gruber fashion the most outstanding football team in our school's history. Our Crestview League Champions were a team which battled number one ranked West Covina blow for blow in the C.I.F. game and almost pulled off one of the biggest upsets of the season.

ALTHOUGH MOST of the 1965 team is graduating, a lot will be left behind; Something that has always been lacking in La Habra's football teams of the past — Namely THE WILL TO WIN!

THE JUNIOR Varsity squad had a fairly satisfactory season this year. By means of fine coaching and team cooperation, the unit established a season record of 2-2-1 and a league record of 2-1-1. By outstanding defensive work the team held all opponents to 49 points while scoring 63 for themselves. If the last two games had not been rained out, the squad would surely have had a better record. This unit will be La Habra's Varsity next year and deserves a compliment on a job well done.

THE TEAM was led by their Most Valuable Player, Rick Younts; and the fine performances of quarterback, Steve Elish; halfback, Bob Causse; end, Mike Dunn; and quarterback, Gary Hendrickson.

THE C team this year proved to be one of the most successful in years. Coaches Ralph Winkleman and Jerry Heiman guided their team to a 6-2-1 record for the season.

Cross Country Takes Title

Pictured above, minutes after clinching the Crestview League Championship, is Coach Gary Brinkman and his seven Varsity Cross Country runners. In front of the Championship Trophy, Ron Eslick and Rich Morales hold a newspaper article stating La Habra's inexperienced team has no chance of winning the Crestview League title.

Rich Morales

Coach Brinkman instructs his boys.

THE HIGHLANDER Harriers swept the Crestview League in Cross Country. Coach Brinkman's determined squad wasn't satisfied with just one League Championship this year, they won all three — Varsity, Junior Varsity, and Freshmen.

THIS SEASON was to be a rebuilding one with the underclassmen due to the loss of nearly all of the last year's varsity through graduation. However, Brinkman, who is rapidly making Cross Country Championships a habit at La Habra, began an intensive program of morning, afternoon, and weekend workouts.

BY THE end of the season Coach Brinkman had molded his inexperienced crew into a squad of runners who completely dominated the final League meet in every division. The Varsity squad went on to finish sixth in C.I.F. This was the third consecutive year in which La Habra has finished within the top ten of C.I.F.

Junior Varsity

IT'S BEEN such a long time since the Junior Varsity has lost a Cross Country meet, that most observers have forgotten what it's like. For the second consecutive year the Junior Varsity has completed an undefeated season.

COACH BRINKMAN'S team was led by the outstanding running of Scott Pierce and Cliff Kessler. Both boys did excellent jobs while alternating between the Varsity and Junior Varsity.

PROSPECTS ARE bright for next year's Varsity, with this fine group of Junior Varsity runners moving up into the Varsity competition.

THIS YEAR'S crop of Freshman runners proved to be one of the most outstanding in years, going through the entire season without suffering a defeat.

THE TEAM was led by Ruben Mejia, who is undoubtedly one of the finest young runners to come to La Habra in years. By the end of the season Ruben had worked his way up to fourth man on the varsity squad.

FINE PERFORMANCES, on the part of all the players as well as their coach John Kahkonen, brought La Habra an outstanding water polo team this past season. In contention for the League Championship throughout the entire season, La Habra narrowly missed gaining a berth in C.I.F. playoffs. La Habra's fierce opposition toward opponents during the year, commanded them the respect of all the other teams within the Crestview League.

La Habra placed five players on the All-League team and one of these, Wayne Cowie, received All-American Honorable Mention Honors. The other four poloists to make the All-League team were: Bob Abshear, Dave Maynard, Dan Starr, and Randy Heimlich.

Close Games Cost Cagers Title

RAY OGAS, Tom Luginbill, Kirk Wallace, Doug Switzer, Dick Sinay, Tom Sinay, Scott Horine, Coach Wallis, Bruce Harkey, Lou Gutierrez, Sam Wilson, Bill Westling, Larry Jordan, Tim Dunkin, Greg Fowler.

LA HABRA CAGERS had a somewhat disappointing season this year. A difference of five points separated La Habra from the team in first place. La Habra lost to Rancho Alamitos by two points, to Tustin by two points, and Magnolia by one. These three losses put La Habra out of Southern California Inter-Scholastic Federation playoffs.

La Habra went from number one ranked team in Orange County to out of the top rated twenty teams. More important was the fact of no team work, which resulted in La Habra's not going to the S.C.I.F. playoffs for the first time in four straight years.

Even though the season was poor, La Habra's basketball team did have some highlights. Sam Wilson broke four of La Habra's previous records. He broke Paul Ellsworth's record of most points in one season, pounding the nets for 560 points. The record of most points in four seasons, held by Rudy Becerra was also broken by La Habra's greatest scorer in history. Sam broke the record by more than 100 points, as he ripped the nets for 1432 points. Billy Morris, now a coach at La Habra, held the record for consecutive free throws, but Sam also broke it by making 20 in a row. Last but not least, Rick Rogers' record of most free throws in a season fell

to Sam as Dead Eye Wilson hit off 243 of his attempts. Sam was placed on the All Crestview league team, and was named to the All Orange County team.

Another bright spot for La Habra was forward Lou Gutierrez, who smashed the old rebound record of 19 rebounds in one game with a leaping performance of 28 rebounds. Lou was also named to the All Crestview league team.

The other players on the starting five were Tom Sinay who helped on the backboards, Kirk Wallace who led the team in assists, and Tom Luginbill who was always good for 10 points and a lot of hustle.

Rounding out the rest of La Habra's '65-66 season were seniors: Dick Sinay, Ray Ogas, Bill Westling, Larry Jordan, Greg Fowler, and Scott Horine.

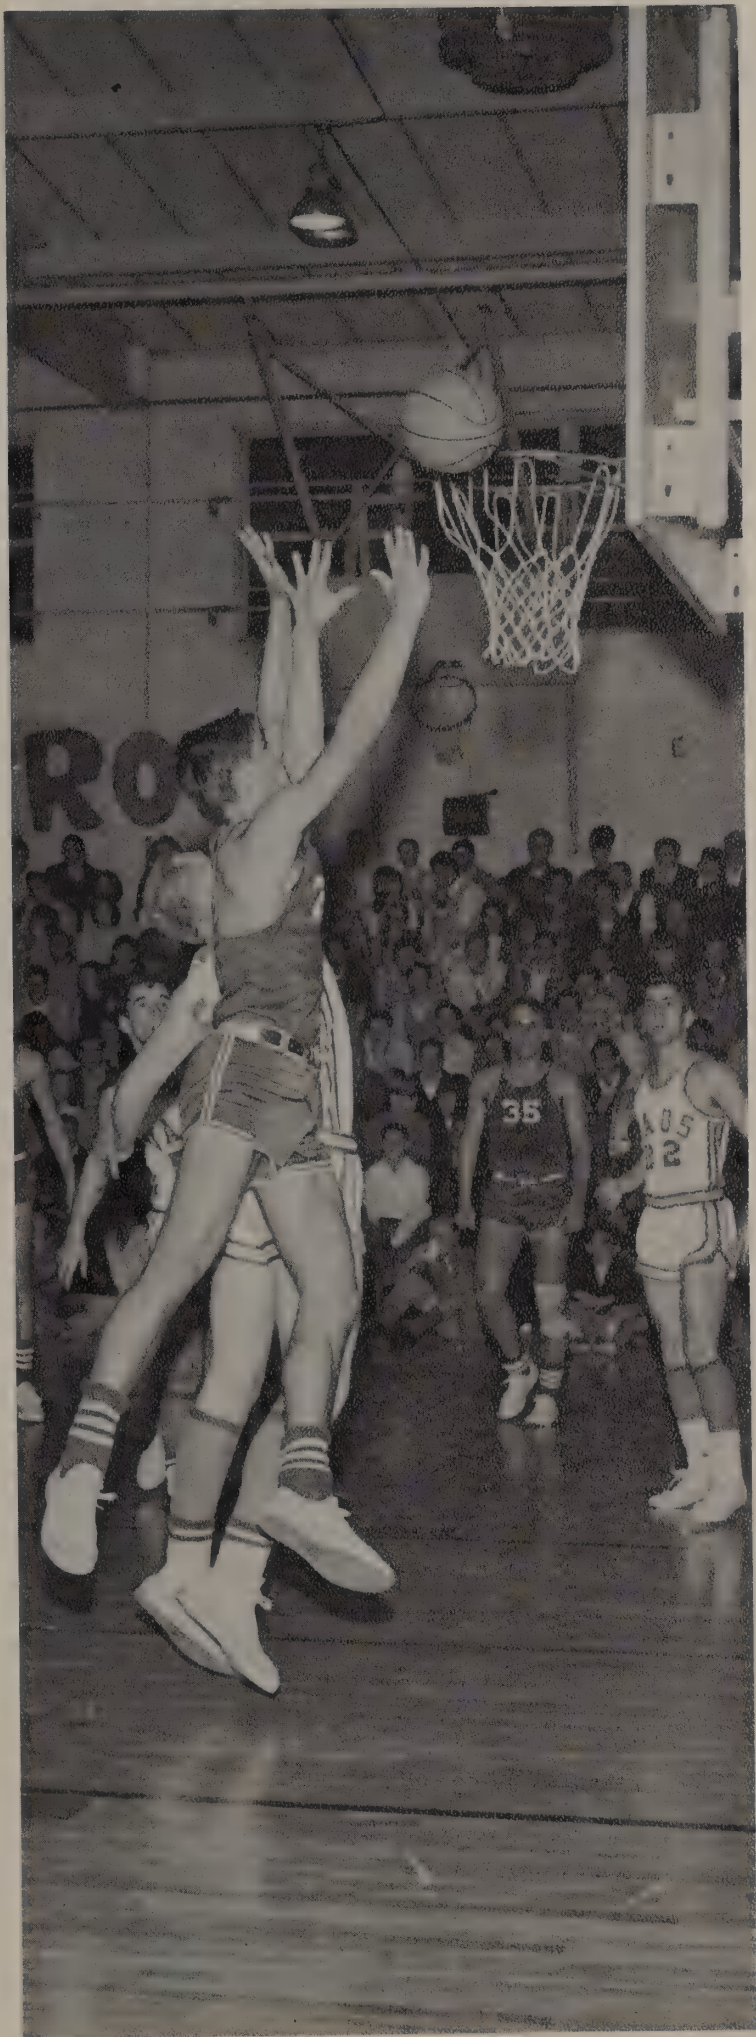

Next year's team should have some good support from three juniors: Tom Duncan, Doug Switzer, and Bruce Harkey. Mr. Wallis, La Habra's great coach, did a very fine job in coaching this year's basketball team.

Tom Luginbill scores two against Savanna.

Kirk Wallace's jump shot is on the way as Siney and Wilson move in for the rebound.

Tom Siney shoots over Kallenberger for two points.

Greg Fowler hits from the head of the key in La Habra's 77-70 upset win over Rancho Alamitos.

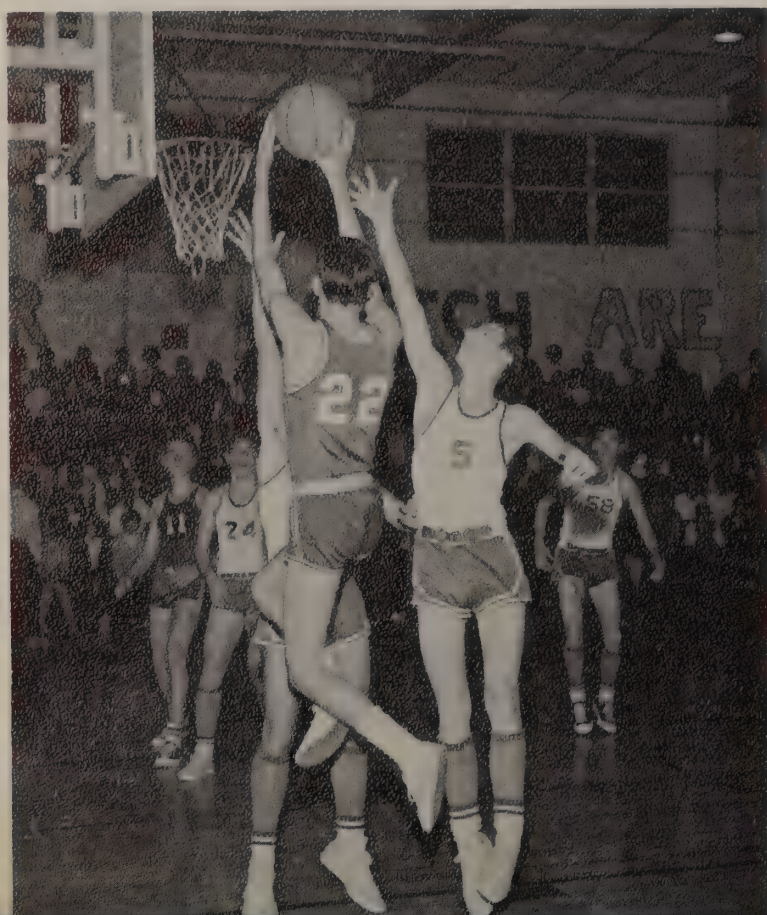

37 Straight for McIntosh

Al Scarcelli, Jess Rios, Greg Bullock, Jeff Morgan, Dave Duncan, Bob Miletich, Mark Meyers, COACH McIntosh, Dave Willis, Frank Herdman, Mark Morrison, Jeff Jackson, John Hanson, Jeff Oderman, Gil Uribe.

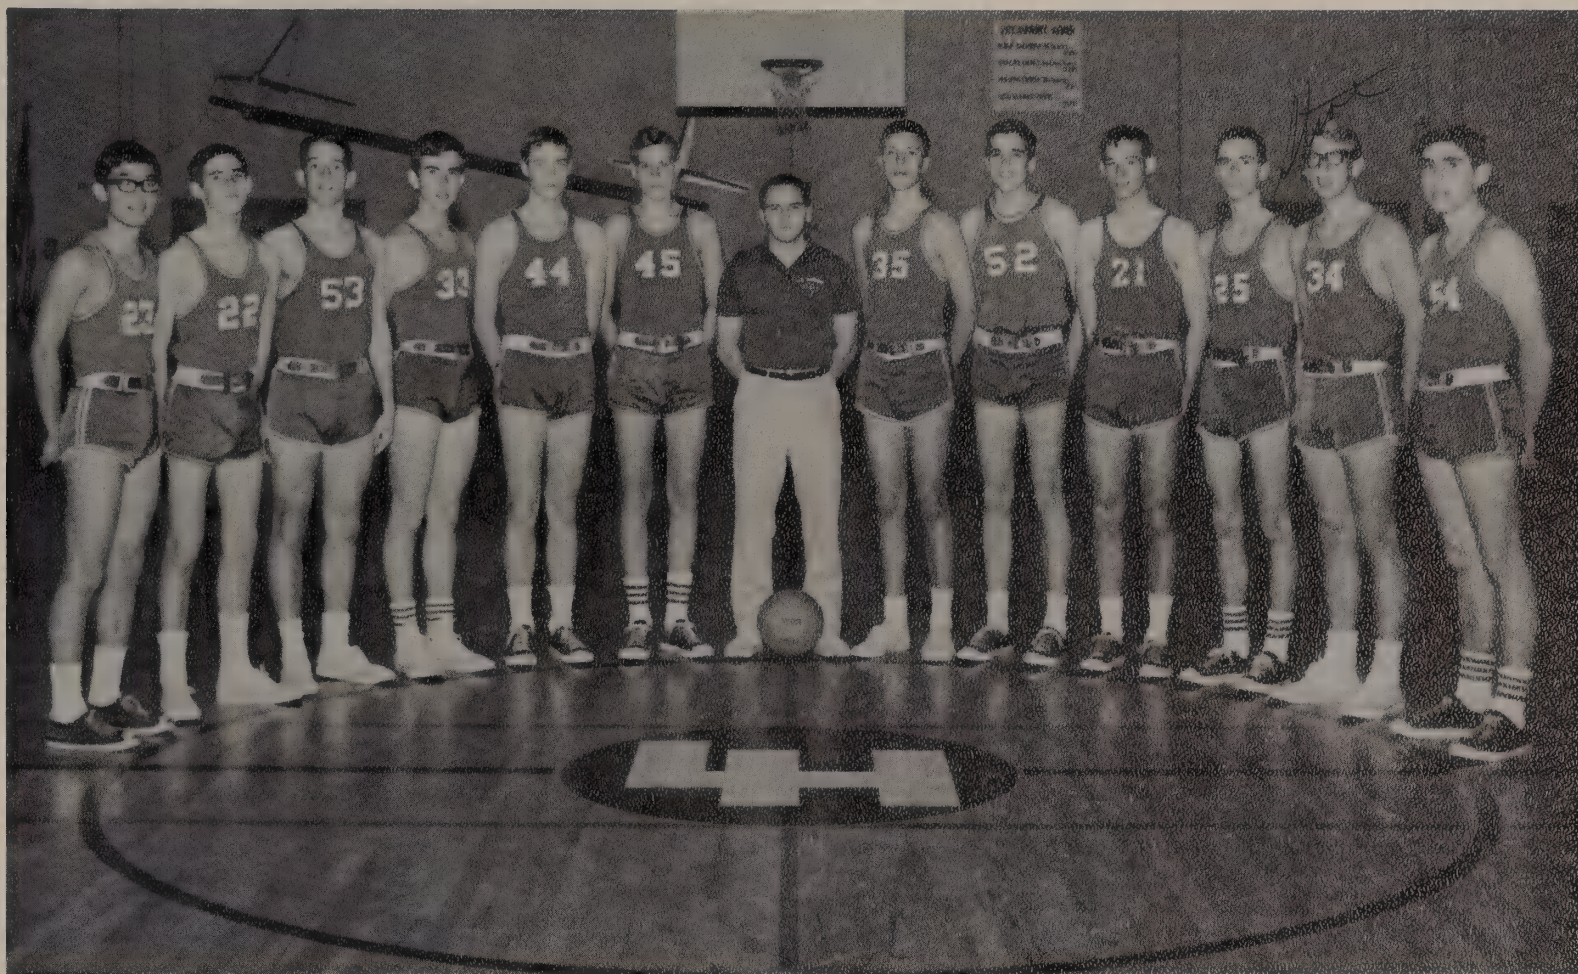

THIS YEAR was another fine year for La Habra's JV's. Coached by Mr. Don McIntosh, La Habra has turned out championship teams the last three years. A tremendous 37-0 conference won-lost record was compiled this season. Since Mr. McIntosh is leaving for the new high school, La Habra will be losing a very, very fine coach.

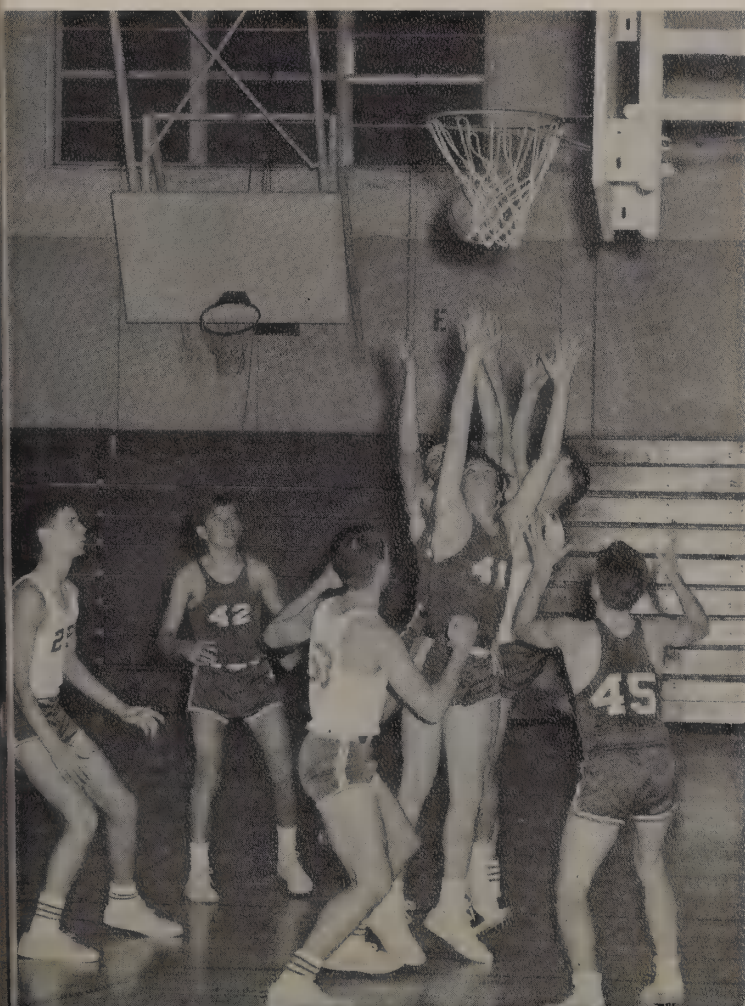

Leading the JV's were juniors Jeff Morgan, Greg Bullock, Frank Herdman, Mark Morrison, and Sophomore Mark Meyers. Frank Herdman was the team captain with Jeff Morgan as the Most Valuable Player.

Again Coach Don McIntosh should be congratulated for doing such a fine job. In his five years at La Habra, his teams have compiled a remarkable 86 wins against only 22 losses. This is further proof that La Habra will be losing a great coach.

B's Take Crestview Title

Dennis Kim, Mike Morrison, Greg Jackson, Alan Fisher, Greg Kinder, Steve Sonne, COACH Robertson, Steve Greenwald, Gary Ogilby, Darrell Hughes, John Elder, Steve Parker, Steve Ellish.

CHAMPIONS IS the only way to describe this year's "B" basketball team. The B's were a well balanced team. They had good scoring from Joel Morgan (307 points), Mike Morrison (232 points), and John Elder (145 points). Greg Kinder, a freshman who was very aggressive, pulled down 178 rebounds, while Darrell Hughes cleared the boards with 239 rebounds. This shows that this year's "B" team was well balanced and had teamwork.

Joel Morgan was Co-Captain and Most Valuable Player along with being high scorer. Darrell Hughes was the other Co-Captain, claiming the positions of high rebounder and third high scorer on the team. Coach Robertson must be congratulated for having such a successful season and doing such a fine job with his team.

B's in Action.

Steve Wright, Jim Blair, Bill Lowrey, Steve Blair, Dennis Schweizer, Rick Traver, Marc Swionkowski, Russ Launer, COACH Morris, Gary McCamish, Ken Rob-

inson, Mike Schoonover, Dick Lee, Ruben Mejia, Greg Clark, Bennie Romero.

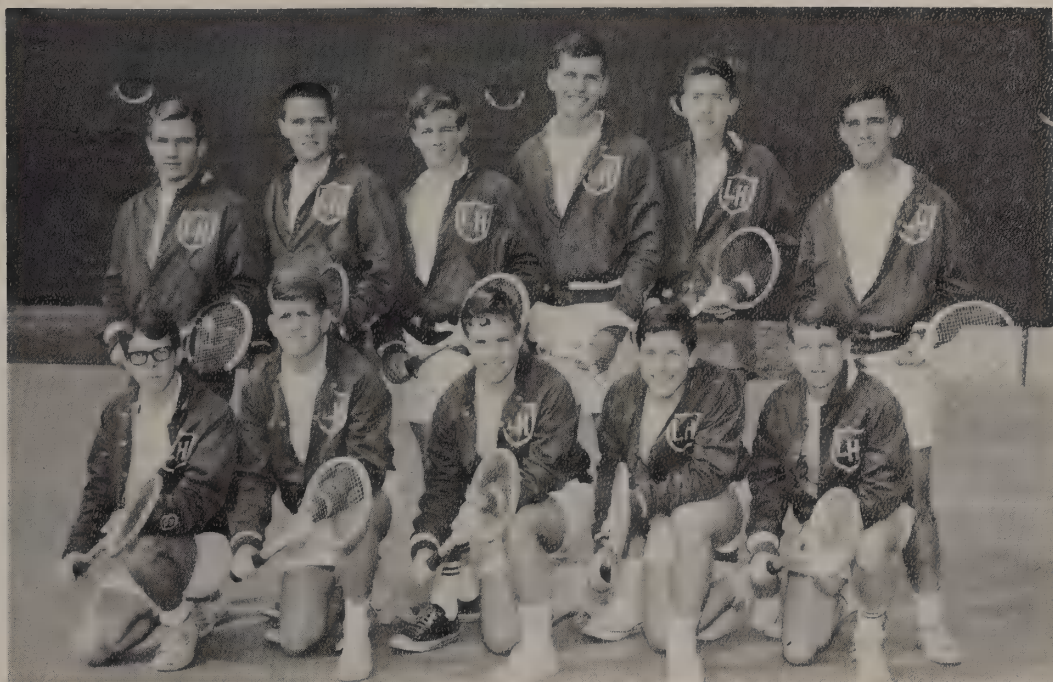

A NEW era for La Habra's Basketball teams is starting. Coach Bill Morris, graduate of Southern California and La Habra High School, in his first year as a basketball coach placed second in an extremely tough Crestview League.

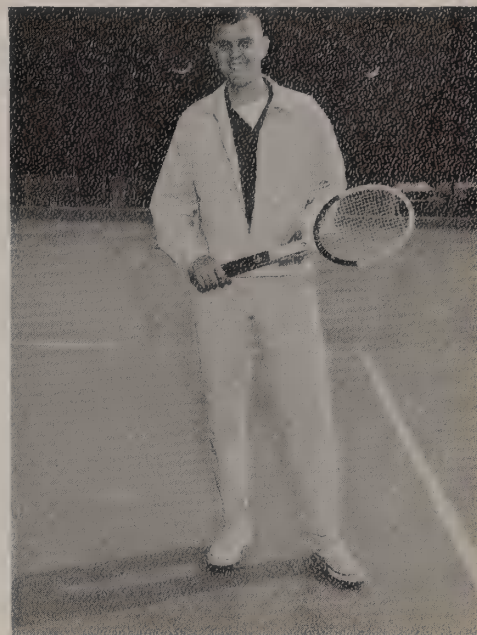

Dick Lee was the C's leading scorer along with being Most Valuable Player and Captain. Dick poured 308 points through the nets for a 14 points a game average. Mike Schoonover was the team's high rebounder and Bennie Romero was second leading scorer and Co-Captain.

Steve Blair hits for two.

THE YEAR'S Varsity Track team was led by two fine junior runners, Mike Newton and Paul Hackett.

Prospects are bright for next year's team, with nearly all of this year's team underclassmen. The Varsity was led by Hackett and Newton in the sprints, Cliff Kessler and Newton in the middle distance, and Rich Morales in the long distances. Wayne Claxton and Doug Switzer were La Habra's top hurdlers.

The field events had Don Newell, and Curnal Costanzo in the shot put, Ted Bidwell in the broad jump, Sam Wilson and John Carrera in the high jump, and Ray Coleman in the pole vault. La Habra's relay team, which is one of the school's fastest, was composed of Ted Bidwell, Bruce McIver, Mike Newton, and Paul Hackett. All but McIver return next year.

The team captains were Bruce McIver, Ron Eslick, and Jim Sullivan.

Once again Coach Brinkman molded a young, inexperienced squad into a championship contender. This year's Varsity once again contended for the League Championship right down to the final League meet.

NOW THAT I'VE GOT THAT OUT (AND I FEEL BETTER)

A black and white photograph capturing a dynamic moment during a basketball game. A player in a light-colored jersey is suspended in mid-air, performing a jump shot or layup. Several players in dark jerseys are positioned around the key, observing the play. The background shows a gymnasium with bleachers and structural elements. The image has a grainy, vintage quality.
